CERTIFIES The Company:

SAS SINGER FRERES
RUE DE L'EUROPE, ZONE EUROFRET, PORT 4101
FR-59279 CRAYWICK
LOON-PLAGE (FRANCE)

CERTIFICATE N° 18/0719/00/0161

Has obtained EU TYPE EXAMINATION INSPECTION CERTIFICATION, in compliance with what is stated in (EU) 2016/425 and in agreement with the applicable test procedures and technical specifications.

Destined to the protection of the torso of the user, described in the following standard/s:

- EN ISO 13688:2013 General requirements.
- EN ISO 20471:2013/A1:2016 designated PPE CLASS 2 against hazardous situations with low visibility.

Having attained the performance requirements specified in Test Report N° **2018CN0386UE** and the PPE's Technical Documentation.

Description of the PPE:

A vest made in fluorescent orange knitted fabric with grey reflective bands applied by stitching. FRONT ASSEMBLY: two components joined centrally with self-fastening tape. COLLAR: Open in V.

The component materials of the PPE according to technical documentation presented by the client are:

- Fluorescent orange knitted fabric – composition: 100% polyester with an approximate weight of 124 g/m².
- Reflective strip of 5 cm-wide in grey colour, reference CSR 1303-2.
- Self-fastening tape.
- Black piping fabric.

The PPE may carry the following variants:

- It can be manufactured in fluorescent yellow colour instead of fluorescent orange.

It shall be the manufacturer's sole responsibility to furnish specific information pertaining to this certificate and the tested levels of protection.
